Closing Date for Application: 28th February 2020

The Oxford and Cambridge Society of Hong Kong is pleased to invite applications from Hong Kong students attending Oxford or Cambridge Universities for scholarship grants of up to HK\$20,000 per candidate in support of project work and/or travel to be completed in Year 2020. Awards are limited to a maximum of three successful applicants from each University. Each successful applicant will receive up to HK\$20,000 as a scholarship grant from the Society. The names and particulars of successful applicants will be used in publicity of the Society's scholarship scheme.

Eligibility Criteria

The applicant must satisfy the following criteria at the time of application:

1. being a Hong Kong student attending a full time resident undergraduate or postgraduate degree course at either Oxford University or Cambridge University; and
2. being a holder of HKID card; and
3. being a student member of the Oxford and Cambridge Society of Hong Kong ("the Society") (submission of scholarship application form and membership application form together is acceptable).

A brief proposal should be submitted to the Society describing the specific project work, travel, etc. for which the grant is applied. The scholarships are intended to help Hong Kong students at Oxford or Cambridge to undertake meaningful, mind broadening travel during the long vacation. There is no strict stipulation as to the type of travel but projects that have been favourably considered in the past include research fieldwork, trips to places linked to course of study, attendance at international conferences and initiatives to help underprivileged groups. Pure holiday travel is not ruled out but will normally be considered only in cases where financial circumstances would otherwise prevent this. The scholarships are NOT intended for travel between Hong Kong and the UK nor for summer stays in Oxford or Cambridge. All applications should include an itemised budget.

Shortlisted candidates will be required to submit a signed endorsement letter from their College tutor or project supervisor. Successful candidates will be required to submit a brief report to the Society after completion of their project, travel, etc.

Procedures

Each applicant should **submit on or before 28th February 2020 BY E-MAIL: josephine.tyc@gmail.com**:

- (a) this scholarship grant application form (duly completed);
- (b) the Society's membership application, if the applicant is not already a student member of the Society (Student membership of the Society is free of charge);
- (c) his/her resume (including academic qualifications, work experience, language skills, activities, and awards, if any);
and
- (d) his/her proposal for project work, travel, etc. (not exceeding 800 words)

to: Ms. Josephine Tsoi, Scholarship Secretary, The Oxford & Cambridge Society of Hong Kong.

(Application by e-mail to the Scholarship Secretary only, NOT by post. All applications will be acknowledged by email.)

The Scholarship Panel of the Society will screen all applications and shortlist candidates for further consideration of awards. Only bona fide applications will be considered. Duplicate applications will not be accepted. Shortlisted candidates may be required to provide further supporting documents/information as determined by the Panel. Awards will be made in May 2020 and the Panel's decisions will be final.
